Create Extraordinary and Magical Results in Your Life

Neuro Linguistic Programming or NLP is probably the leading edge model of personal communication and development in the world. Developed over the last thirty years it provides the most complete and effective model for understanding and enhancing personal effectiveness, creating supportive relationships and dramatically enhancing our communication skills at all levels.

Not just NLP... An integrated approach to NLP and Esoteric Spirituality

NLP contains powerful tools for personal development and communication skills. For practitioners of the magical arts in particular, there is an imperative to clear old beliefs and negative emotions in order to accelerate spiritual development and communicate more effectively with the "inner realms."

You are invited to come to Glastonbury for a truly amazing adventure. Hone your professional, personal and magical skills through training in Neuro-Linguistic Programming and Esoteric NLP with two Certified Trainers of NLP and Initiates of the Western Mystery Tradition.

What You Will Learn

- Learn how to use NLP to accelerate your magical development
 - How to structure, order, and sequence your words to create powerful invocation and intensify your experience of ritual
 - Learn how to dramatically enrich your experience of the inner realms
 - Deepen your understanding of the underlying structure of magical practices
 - The Five Principles for Success – Creating Excellence
 - Empowering beliefs, which act as a foundation for technical skills
 - A communication model which promotes self-responsibility
 - Essential skills of a magus - How to lead so others will follow
 - Create behavioural change
 - The ability to read non-verbal communication
 - How the brain codes information and how you can change it
 - How to create rapport and influence people
 - How people process information, and how the differences and similarities influence our communication
 - How to utilize language to get the results you want
 - How to build positive states in yourself and others such as confidence, personal power etc.
 - And much, much more.
- In addition to the standard syllabus taught in an NLP Practitioner Certification Program, we have added the following modules to enable you to apply the NLP tools and techniques to your magical practice.
- The Presuppositions of Magic
 - Reiki Level 1 Attunements and practice sessions
 - Practical techniques for psychic protection
 - The "clean" use of language for invocations and spell casting
 - Practical applications of NLP in magical ritual
